

COMPANY PROFILE

KOLVIN MANAGEMENT SOLUTIONS PVT. LTD.

ABOUT US

Kolvin Management Solutions Pvt. Ltd. (KMS) is a professional consulting organization driven by a single mission — **to deliver customized, need-based solutions that create measurable impact**. Our services are designed to address real-world challenges through a focused, result-oriented approach.

Our activity spectrum includes **consultancy assignments, Integrated manpower & Security services research and studies, skill development initiatives, training and certification programs, placement services, and allied activities**. Backed by a young, energetic, and experienced team, we are committed to delivering **quality outcomes within stipulated timelines**.

Management and development consulting form the strongest pillars of KMS. We actively work across **agriculture and allied sectors, forestry and environment, watershed management, socio-economic development, market research, preparation of Techno-Economic Feasibility Reports (TEFRs) and Detailed Project Reports (DPRs), and business process re-engineering**. Our strength lies in our team of seasoned professionals — both in-house experts and empanelled advisors — who bring deep domain knowledge and practical insights to every assignment.

KMS is a leading organization engaged across diversified sectors with a strong **grassroots focus**. Our mission extends beyond business — we strive to **enhance employability, productivity, and livelihoods**, especially among the **weaker sections of society**. We believe in creating equal opportunities and enabling individuals to achieve social and economic empowerment.

We remain firmly focused on the goals of **livelihood generation and sustainable development**. Optimal utilization of specialized human resources to meet evolving market needs has been one of our core objectives. Having successfully delivered on this promise in the past, we continue to remain committed to the same vision for the future.

VISION & MISSION

To drive inclusive and sustainable development through **Technology, Effective management, Innovation, and Responsible practices**, while continuously striving for better solutions that create long-term value for society.

To become a single-point solution for our clients by delivering **world-class, reliable, and customized services**, driven by continual improvement, enabling them to focus on and grow their core business effectively.

OUR CORE ELEMENT OF BUSINESS

We have separate strong and experienced teams as follows:

- Domain Experts
- Management Consultants
- Human Resources
- Marketing/ Business Development
- Business Associates / Site Supervisors

We understand the limitations of conventional solutions in reaching communities at the **base of the pyramid**. Our strength lies in developing **practical, people-centric, and innovative solutions** through close on-ground engagement.

Rather than focusing only on systems and processes, we emphasize **behavioural change and domain knowledge**, ensuring solutions that are relevant, adoptable, and sustainable. By combining grassroots insights with professional expertise, we deliver **measurable and lasting impact**.
